The Knowledge Hub Award

India Mobile Congress 2018
Recognized at Exhibition Excellence Awards 2019

India Mobile Congress 2018 was awarded "The Knowledge Hub" accolade at the Exhibition Excellence Awards held at India Expo Mart, Greater Noida (NCR).

This was the outcome of a remarkable effort by IMC team to organize an international conference that was attended by industry experts from more than 20 countries, business leaders, policy makers, young professionals and students. India Mobile Congress has fast become the gold standard of events and conferences in the 'digital technologies' space.

We would like to thank you for making IMC memorable and one of the biggest events of 2018.

What People are Saying

Testimonials

"It has been very exciting. It's a unique opportunity to engage with some of my foreign counterparts and also see some of the innovation that has been happening in the wireless sector in India. Hopefully, we will be able to take some of the wisdom we found on the show floor and in the conference Halls and apply it back in the US."

Ajit Pai
US FCC

"India's content landscape is showing huge growth and we are in an exciting time. The India Mobile Congress was a great platform to discuss the different avenues for content that we are especially seeing for the millennial generation."

Hiren Gada
Shemaroo Entertainment Ltd.

"It has been a fantastic event. The takeaway from IMC is that it's not only about business or Govt. or thought leaders, but it's about bringing all those components together."

Richard Homer
British High Commission

"Govt. of India and COAI have put together a fantastic event. The topic is very apt which is New Digital Horizons, Connect. Create. Innovate."

Nitin Bansal
Ericsson

"IMC has the ability to showcase what India is upto and really make a statement that we are at the forefront of 5G. Also, it gives the ability to global players to see the potential and vibrancy of the sector."

Sanjay Kaul
Cisco

"It's been awesome, I can't really describe the energy and enthusiasm of the participants. COAI has done a fantastic job in organizing a world-class event."

Azhar Sayeed
Red Hat

"It has been a fantastic experience this year. If we compare to last year, this year has grown so much. This a major event and I wish it continues to grow every year."

**Srinivasan
Sundararajan**
Samsung

"I have been going to MWC Barcelona and this is a mini Barcelona which I am experiencing here in India. I am very proud that this year real use cases, trials, and equipment have been showcased at IMC."

Amit Marwah
Nokia

"I am delighted to be here at IMC. It is a great place to come and interact with the entire ecosystem at one place. It is a great platform and we should continue to invest more time and resources to it in the coming years."

Balesh Sharma
Vodafone Idea
